

A Glance of AEM PPTC Matrix

By Technology Platform, Fuse Category, Case Size, Current Rating, Voltage Rating

By Technology Platform, Fuse Category, Case Size, Current Rating, Voltage Rating																																
Platform	Category	Chip Size	Fuse Current Rating, A																													
			0.05	0.10	0.15	0.20	0.25	0.30	0.35	0.40	0.45	0.50	0.75	1.00	1.25	1.50	2.00	2.50	3.00	3.50	4.00	4.50	5.00	5.50	6.00	6.50	7.00					
Automotive Grade Resettable Fuse	PAS (Standard)	1206	30/24/16/13.2Vdc																													
		1210	30/13.2Vdc																													
		1812	12/13.2/15/16/24/30/33/60Vdc																													
		2920											24/33Vdc																			
	PAT (High Temp)	0805	16Vdc										12Vdc																			
		1206	30Vdc										16Vdc	12Vdc																		
		1210	30Vdc										16Vdc	9Vdc																		
Commercial Grade Resettable Fuse	PBL (Low Ohmic)	0402	6Vdc																													
		0603											8Vdc										6Vdc									
		0805											6/12Vdc										8Vdc									
		1206											6/12Vdc										6Vdc									
		1210											6/12Vdc										6V									
	PBS (Standard)	0603	15Vdc	9Vdc	6Vdc																											
		0805	15/24Vdc	9Vdc	6Vdc																											
		1206	6/13.2/16/24/30Vdc										6Vdc																			
		1210	30Vdc					6Vdc	13.2Vdc					6Vdc																		
		1812	6/8/12/13.2/15/16/24/30/33/40/60Vdc																													
		2018											10/15/24/33/60Vdc																			
		2920	6/12/15/16/24/30/33Vdc																													
	PBT (High Temp)	0805	16Vdc										12Vdc																			
		1206	30Vdc										16Vdc	12Vdc																		
		1210	30Vdc										16Vdc	9Vdc																		
	PMS (Standard)	0603	6/9/15/24Vdc																													
		0805	6/9/15/16/24Vdc																													
		1206	6/13.2/16/24/30/60Vdc																													
		1210	6/13.2/16/24/30/60Vdc																													
		1812	6/8/13.2/15/16/24/30/33/60Vdc																													
		2018											10/15/33/60Vdc																			
		2920	6/16/33/60Vdc
